

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In Application of:
Dr. Adalbert Feltz et al.

Art Unit: Unassigned

Serial No.: 09/736,266

Examiner: Unassigned

Filing Date: December 15, 2000

Docket No.: P1999,0008US AF/BS

For: Piezoelectric Device

Client No.: Epp.019

ENGLISH LANGUAGE TRANSLATION SUBMISSION PER 37 CFR 1.52(d).

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The present application was filed in a non-English Language. Attached is an accurate English translation of the application as originally filed. No new matter has been added. A fee of \$130.00 pursuant to 37 CFR 1.17(k) is further enclosed with this filing. It is understood that given the non-English language of the original application filing, the number of claims and costs related thereto were unable to be determined.

It is respectfully requested that the attached English language translation be accepted and processed pursuant to 37 CFR 1.52(d), and that the undersigned be informed of any additional required fees.

Respectfully submitted,

Jacob Eisenberg
Attorney for Applicant
